We Welcome You

A Member of  **WPIL SA Holdings (Pty) Ltd**

APE Pumps

Leaders in pump innovation

The year 2017 marks a key milestone for APE Pumps as it celebrates its 65th year in business, underscoring its design, manufacturing and project management capabilities.

A Member of  **WPIL** SA Holdings (Pty) Ltd

WHAT WE DO

MANUFACTURE
ENGINEERED PUMPS

CONVENTIONAL
PUMPS

TURNKEY
PROJECTS

Services

Supplied:

Pump design and manufacture

Pump technical engineering support

Pump supply and customer aftersales support

Inspection and design engineering

Turnkey projects

Project management

Mechanical pump installation

Connecting pipework installation

Electrical motor installation

Electrical transformer installation

Electrical panel installation

Operational support and monitoring

Build

Operate

Maintain

Pumps Product Range:

Horizontal Split Case Pump
Vertical Turbine Pumps,
Horizontal Multistage Pumps,
End Suction Pumps,
Process Pumps Mag Drive Pumps
Vertical Sump Pumps,
Submersible Pumps
Self-Priming Pumps.

Supporting Client Ownership

Turnkey Projects

Services Supplied:

- Pump design and manufacture
- Pump technical engineering support
- Pump supply and customer aftersales support
- Inspection and design engineering
- Turnkey projects
- Project management
- Mechanical pump installation
- Connecting pipework installation
- Electrical motor installation
- Electrical transformer installation
- Electrical panel installation
- Operational support and monitoring

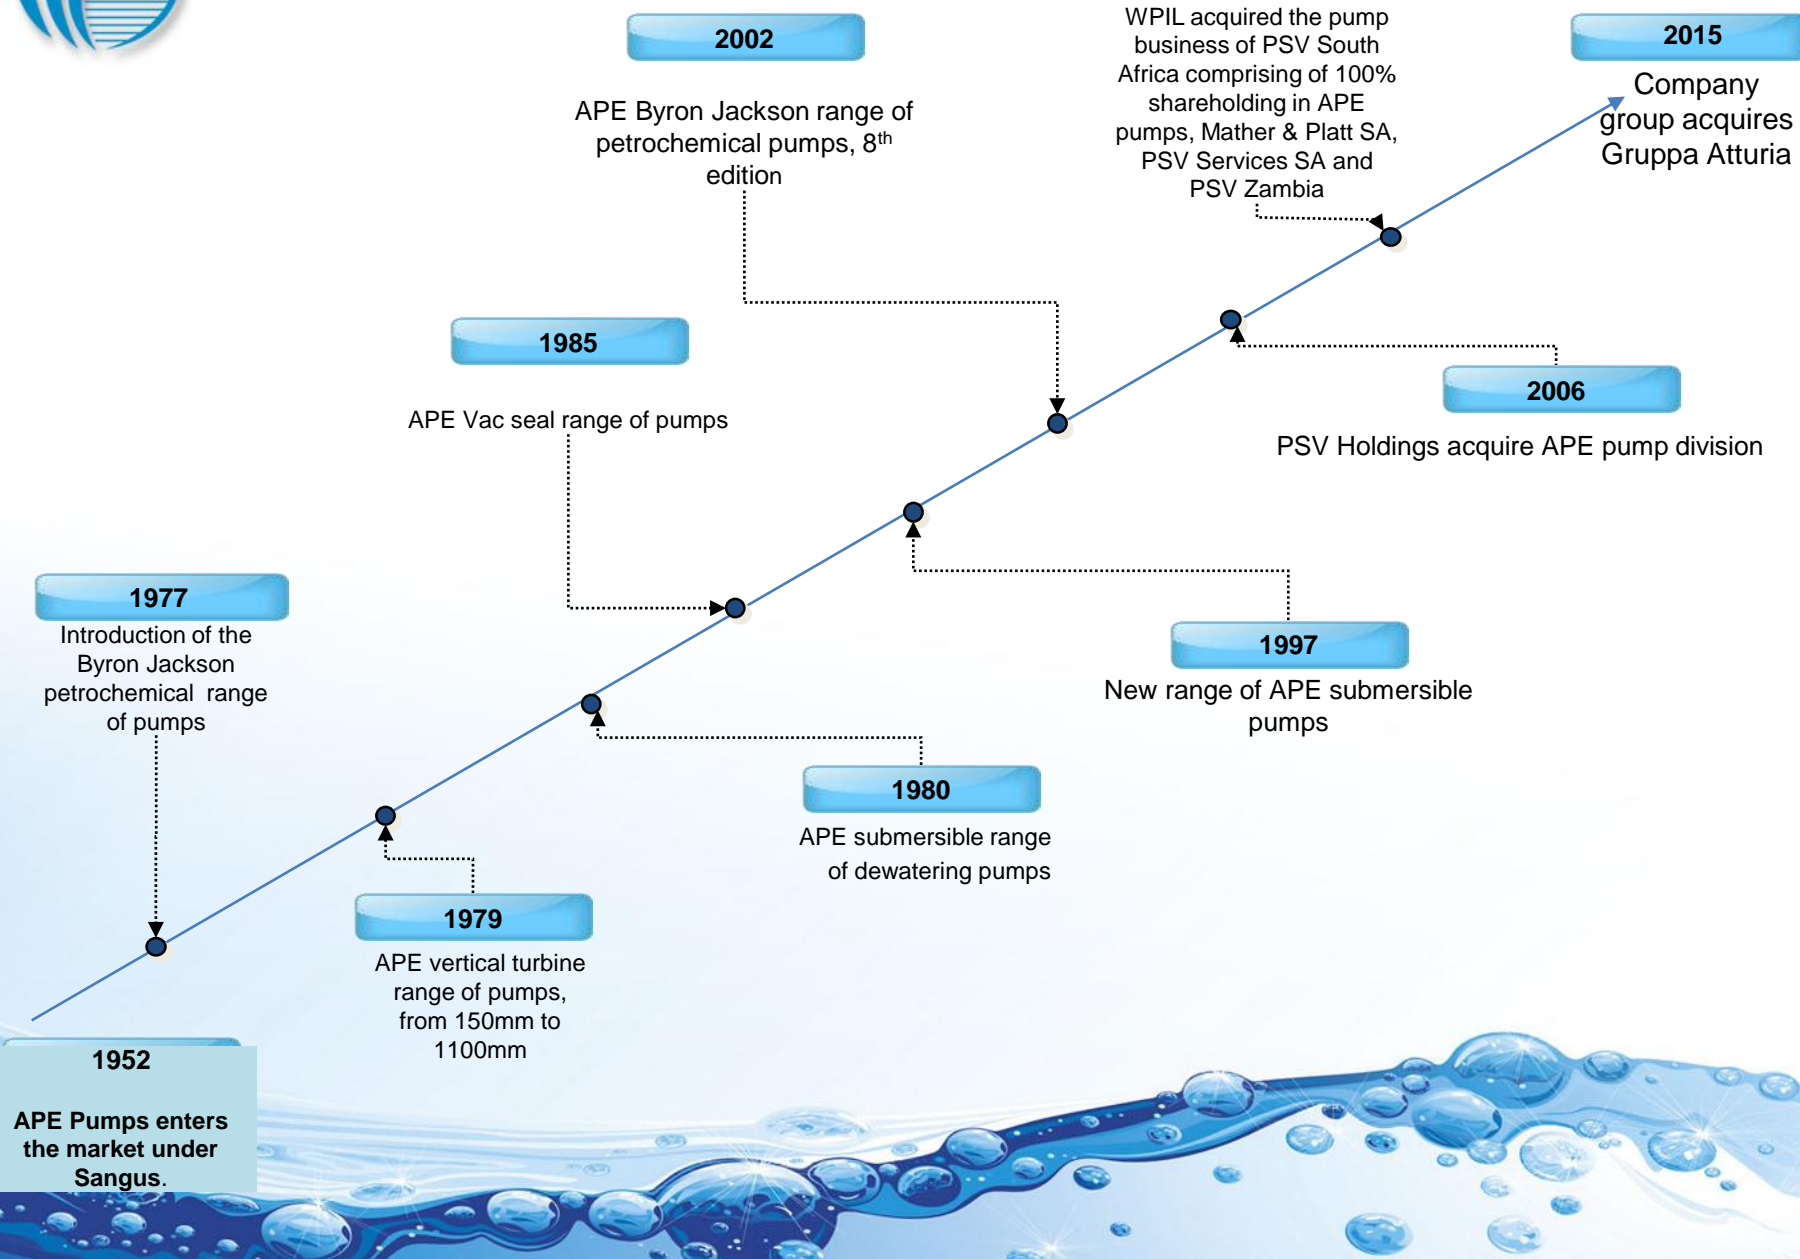

WPIL WORLDWIDE

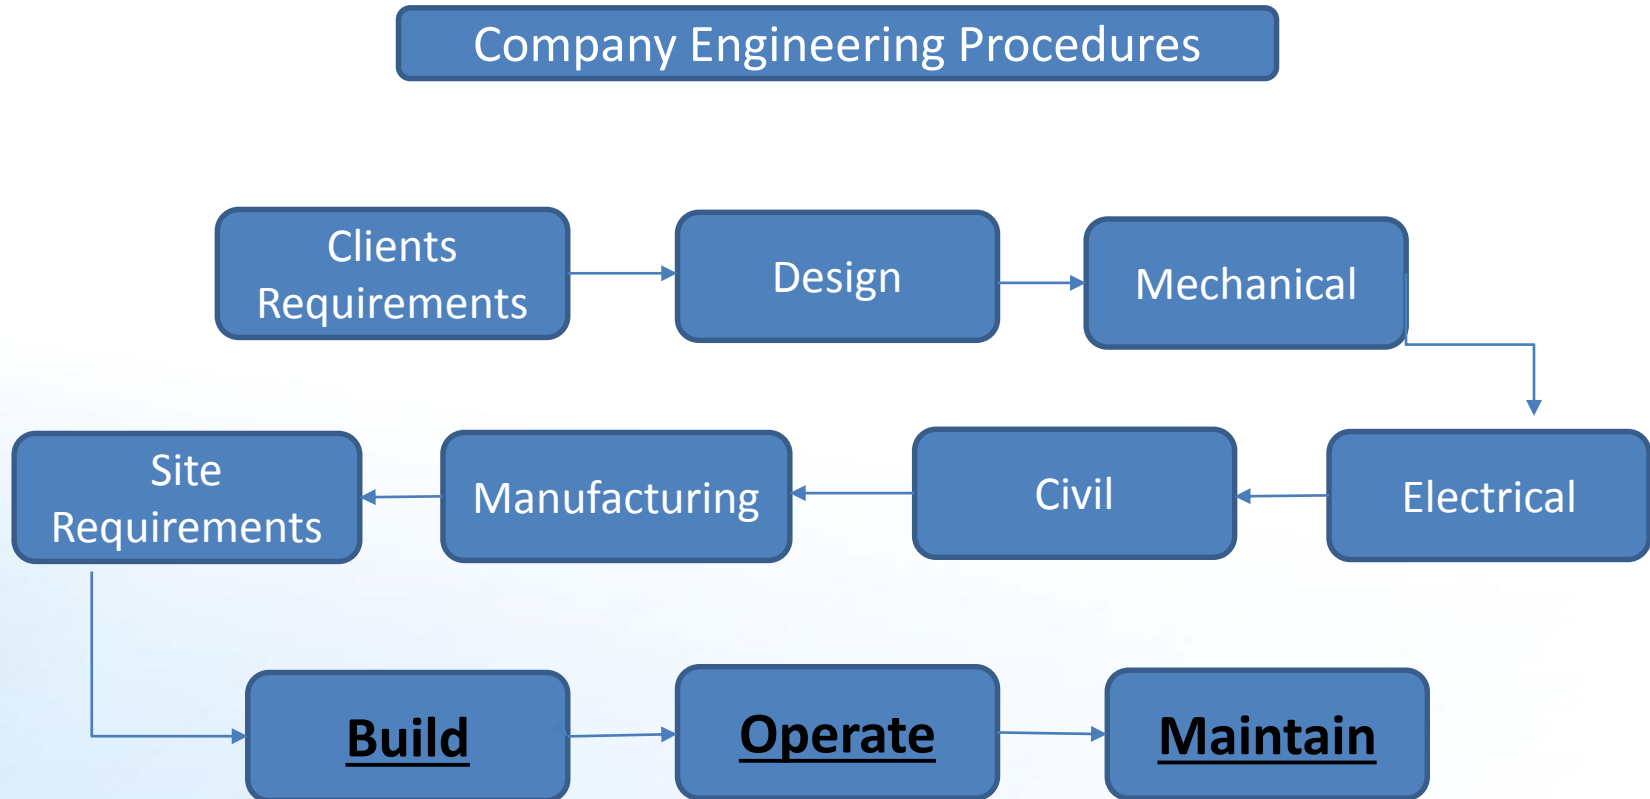

GROUP

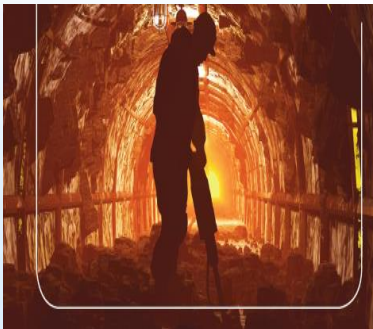

MILESTONES

AREAS OF OPERATION

**Mining
Institutions**

**Water
Processing
Utilities**

**Power
Generation
Authorities**

**Petrochemical
Industries**

Pump Products **Available**

Horizontal Split Case Pumps
Mag Drive Pumps
Vertical Turbine Pumps
Vertical Sump Pumps
Horizontal Multistage Pumps
Super Duplex Stainless Steel Pumps
Self-Priming Pumps
End Suction Pumps
Submersible Pumps
Process Pump
Chemical Pumps

PROJECT COMPLETED

APE Pumps - Pumps at the heart of Africa

Mining Institutions

Water Processing Utilities

Power Generation Authorities

Petrochemical Industries

Manufacturers of:

- Vertical industrial turbine pumps
- Multi-stage high pressure pumps
- Split casing pumps
- End suction pumps
- Vertical sump pumps
- API 610 pumps
